ACTION FOR A SUSTAINABLE AND CLEAN ENVIRONMENT

19 – 21 June 2024
Sands Expo & Convention Centre
Marina Bay Sands, Singapore

THANK YOU!

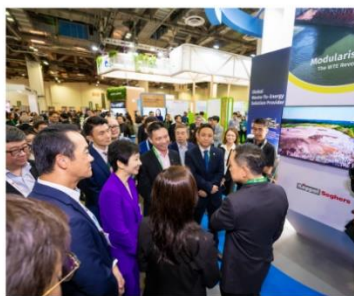

To all our speakers, exhibitors, and attendees of the sixth edition of the CleanEnviro Summit Singapore (CESG 2024) – thank you for your presence, participation, and contributions to making this year’s event a tremendous success.

 30,000 Attendees	 63 Countries/Regions	 114 Exhibiting Companies
---	---	---

We were thrilled to host over 30,000 delegates at CleanEnviro Summit Singapore 2024 and Singapore International Water Week 2024. CESG saw the largest number of exhibitors, innovators and delegates this year from 63 Countries or Regions. Thought leaders, industry captains, and policymakers came together to convene, connect, and consider solutions for enabling a sustainable and clean environment. We also witnessed the announcements of strategic partnerships, calls for tender and for research grants, and facilitated the signing of numerous Memorandum of Understanding towards building a greener, more climate-resilient and sustainable future amidst resource scarcity globally.

From the plenaries and conferences to the various featured areas at the Environment Expo, we have heard that attendees have gained valuable insights and discovered innovative solutions for enabling a sustainable and clean environment.

Thank you once again to everyone who have contributed to the success this year. See you at CleanEnviro Summit Singapore in June 2026!

“

A platform such as CESG is important as it brings the world together to discuss a common problem. It is also a platform for coming up with new ideas and sharing experiences. It is well subscribed.

*Dr Quah Lee Kiang, FRICS, Director,
Real Estate & Construction Central Academy, Singapore*

“

CESG is a very important platform to gather all the industry experts as well as the leaders in the semi segments that allow us to share our different experiences as well as journeys that we are taking.

*Mr Yoon Young Kim, Cluster President, Singapore and Brunei,
Schneider Electric*

“

It was an outstanding experience at CESG 2024. Gathering with so many like-minded industry leaders and partners on the same platform was truly inspiring. The networking opportunities were unparalleled, allowing us to forge meaningful connections and explore new collaborations

*Mr Charles Ng Chew Poh, Chief Operating Officer,
Primech AI Pte. Ltd.*

“

CESG is a useful platform for like-minded professionals and businesses to interact and exchange ideas. I have learnt new knowledge and it opens up new horizons for my green profession.

*Mr Lim Wee Fong, Sustainability & Innovation Department Manager,
Samwoh Corporation Pte. Ltd.*

“

CESG 2024 provides more than a snapshot of the current environment industry climate, it brings industry experts and policy makers to discuss future solutions and creative ideas to better serve the planet.

*Mr Glen Lim, Undergraduate Research Assistant,
Singapore University of Social Sciences*
